

# OLYMPIC SWEEPSTAKE

The Tokyo Olympics is taking place this summer between Friday 23rd July and Sunday 8th August 2021.

With over 200 countries taking part organising a sweepstake is a fun and easy way to encourage your friends, family and/or colleagues to support Spinal Research and **#BeatParalysis** whilst enjoying each event.

To take part simply follow these instructions:

 **Ask your friends, family or colleagues to donate to enter your sweepstake (£5 suggested)**

 **Once you have all your contestants - use this platform [here](#) to randomly generate your Olympics 2021 sweepstake**

 **You can use our sweepstake tracker to keep note of who gets which country(ies) (see next page)**

 **Organise your prize! And award it to whomever's country is at the top of the medal table (& perhaps a wooden spoon prize for the bottom!)**

 **Donate the entry fees to spinal research [here](#)**

You could even take your sweepstake to the next level and get **#TogetherAgain** at a screening party for the closing ceremony. By doing this you will be able to raise even more funds to support our research and **#BeatParalysis**.
