Sponsorship Form

Every 2 hours someone in the UK is told they will never walk again

Please sponsor me in support of Spinal Research. Over 105,000 people in the UK are paralysed by a spinal cord injury, joining millions worldwide.

Their pioneering research is making ground breaking progress but they rely on the generosity of supporters to help raise the vital funds needed.

Spinal Research is a UK charity working to develop treatments to restore feeling and mobility to people paralysed as a result of a spinal cord injury.

Together, we will cure paralysis
